RE: Petition for Allocation of N11 Dialing Codes in Tennessee  
Submitted by Boulevard Media, Inc., Docket No. 00-00484

Dear Mr. Tibbels:

This letter is to advise you that on July 31, 2000 the Federal Communications Commission ("FCC") issued its Third Report and Order and Order on Reconsideration resolving the petitions before it seeking assignment of the 511 and 211 abbreviated dialing codes. We are enclosing a copy of the FCC's Order for your review.

On July 11, 2000, the Authority denied Boulevard Media, Inc.'s Petition for Allocation of the 511 abbreviated dialing code. The Petition was denied due to the petitions that were pending before the FCC at that time. With the entry of this Order, the FCC has assigned both the 511 and 211 abbreviated dialing codes for nationwide use.

Should you have any questions, please do not hesitate to contact me at the number indicated below.

Sincerely,

K. David Waddell  
Executive Secretary  
(615) 741-2904 ext. 142

Enclosure (as stated above)
